

I oppose any changes that would allow the Consumer Bankers Association, or any other organization, to contact me in a telemarketing or mailing sales attempt. I oppose the FCC making any changes that would weaken the Indiana "No-Call" list. I hope that you will not allow the Consumer Bankers Association, or any other organization, to further deplete the time I have available each evening to spend with my children. If I am interested in any product or service, I will seek it out on my own. I do not want to be solicited at any time, by any company or organization. Thank you for your time and consideration.
